

Junior Graphic Designer

Job type: permanent, full-time/part-time (3-5 days per week)

Salary: GBP 28,000-31,000 (dependent on experience; per rata)

Location: London (with significant flexibility for remote working)

Are you a creative, tech-savvy person who knows how to create compelling visual content? We are looking for a self-driven personality that takes on responsibility and brings our visual communication to the next level. You will be joining our international Marketing team in a fast-paced market, and a unique company culture.

- Your responsibilities**
- Design and produce display materials (brochures, whitepapers, exhibition booths, merchandise)
 - Design and implementation of Office Templates (PowerPoint, Word)
 - Design icons, graphics, and social media templates
 - Create software demo videos and screenshots
 - Keeping our sales and partner slide deck up to date
 - Basic video editing
 - Nice to have: Ability to illustrate and create animations

- Your benefits with Luware**
- Shape the visual communication and branding of a young and growing company
 - Take charge of your own projects
 - Short decision paths and a lot of freedom to pitch ideas
 - Friendly, diverse and highly motivated team with a unique spirit
 - Chance to grow in your role

- Your skills**
- Expert in Adobe Suite (particularly InDesign, Illustrator and Photoshop)
 - Expert in Microsoft Office (PowerPoint, Word)
 - Basic video editing skills
 - Ability to visualize technical concepts in creative ways
 - Interested in understanding our business, and software solution
 - Self-drive and a willingness to learn

We are looking forward to getting to know you!

Send us your application including a [small portfolio](#) (PDF or link) through the [form on our website](#).

Please share in your [cover letter](#) why you want to work for us and how Luware will benefit from you in this role.

About Luware

Luware is a leading provider for customer service solutions that are seamlessly integrated into Microsoft Teams and Skype for Business. 100,000 users at over 280 customers benefit from Luware's solutions every day – among them AGC, Credit Suisse, ERGO, Kuka, Konika Minolta, Medical, Planzer, SAP, Swissbankers, Synamedia, UBS and Würth. The backbone of the modern software and close customer relationships are 100 Luwarrians in Switzerland, the UK, Germany, Belarus and the USA with a passion for simple software and high service quality. Mimaicom-Flowable holds the majority stake in Luware; operational management of Luware is performed by our founders Philipp Beck and Michael Jakob. Driven by customers' needs and in close partnership with Microsoft, Luware has been developing customer service software for UC platforms for over 10 years.
